Re: Proposed Bill #269-02-25 which is requesting permission for a Mobile Home Court to be constructed at the Northwest Corner of Smith Road and Lower Huntington Road

The Residents of Ridgeway Addition are again asking that you refrain from changing the zoning ordinance from RA to MA--Mobile Homes in the area surrounding the Smith and Lower Huntington Roads.

We have supported the fight to prevent the dump from being established on the MacBeth Road. We have tried to keep the gravel pits from moving closer to our general area. We, as a unit, have in the past striven to establish and maintain our properties.

This past summer we spent \$2,480.54 to put in additional culverts, and chip and seal our addition road in the hope that our area will remain a better place to raise our families.

Bushman Tile which serves our area drainage is severely overtaxed now. Our addition and surrounding area are constantly fighting flooding problems and certainly this trailer court would add greatly to our existing problems.

Please re-examine the situation and vote to keep the above location residential on March 17, 1969.

Thank you.

Respectfully submitted,

Residents of Ridgeway Addition

Re: Proposed Bill #269-02-25 which is requesting permission for a Mobile Home Court to be constructed at the Northwest Corner of Smith Road and Lower Huntington Road

The residents of Lower Huntington Road, Smith Road, and Krue Drive in the immediate vicinity of Smith and Lower Huntington Roads, the site of the proposed Mobile Home Court, most urgently request that you refrain from a DO PASS decision.

Our area is still a beautifully scenic, rural and suburban neighborhood. We are vitally interested in maintaining and further extending the spacious, pastoral qualities of this countryside.

The erection of a Mobile Home Court would, in effect, be setting a small city in the midst of our community.

The consequences of such a "small city" would be many:

- (1) Further crowding our already heavily traveled roads.
- (2) Severely taxing the burden on Bushman Tile which is already overloaded, causing numerous drainage problems in the immediate area of the proposed mobile home court.
- (3) Creating a need for commercial services such as filling stations, grocery stores, drug stores, laundromats, etc. to accommodate senior citizens living in this M.H.C. who might be unable to get into town for such conveniences. This would be completely out of character with our rural and residential atmosphere.
- (4) Endangering the safety of the nearly 100 school children living in close proximity to the traffic from the proposed M.H.C.
- (5) The lack of full-grown trees, shrubs, ground cover and other windbreak would expose for years all these trailers to passing traffic on Smith and Lower Huntington Roads and greatly detract from the beauty and quality of the community and this scenic access to the city of Fort Wayne.

Thank you for your kind attention. Please vote to maintain our residential area.

Respectfully submitted,

Residents of Lower Huntington Road,  
Smith Road, and Krue Drive
